First Term 2020/2021 Academic Session

**NEWS LETTER**

Dear Parent/Guardian,

We have come to the end of first term of 2020/2021 academic session successfully. We give God the Glory for seeing us through the term.

**01. ACADEMIC ACTIVITIES:** The academic activities went on smoothly without hitches. The SS 3 students were made to attend cock – crow lessons in the morning before normal classes to beat backlog of the syllabus. Other activities like extra lessons, prep and sit-down-and-read exercise (on Saturday, 12 noon to 2pm) were equally carried out to a successful end.

First term examination started on the 8th of March, 2021, with practicals and the written examination followed from 15th to 20th of March, 2021.

**02. STUDENTS DISCIPLINE:** The level of misbehaviour especially, the SS 3 students is on the increase, ranging from absenteeism from classes to breaking of bounds and bullying/extorting of provisions from junior students. The College authority is bringing this to the notice of parents to do the needful. The school alone cannot mould these children without parents assistance please. Admonish your child/ward to be of good behaviour. The College authority is trying its best to correct their excesses.

**03. HAND SETS:** This has become a song for students to stop bringing phones to the school. Parents are advised to warn their children because any seized phone will be confiscated and destroyed on assembly ground.

**04. DINNING HALL:** The College authority will always remind parents/guardians to equip their children/ward with cutleries to be used in the dinning. Defaulters of these items must bring them when coming back in (2nd) second term. The SS 3 students who refused to submit their cups and plates must submit at the gate on resumption date before they will be allowed entry into the hostel.

**05. Bill/GENERATION OF RRR: ALL FEES MUST BE PAID BEFORE RESUMPTION. HOSTELS ARE OUT OF BOUNDS TO STUDENTS WITHOUT EVIDENCE OF RECEIPT OF FEES AND PTA LEVY. THE COLLEGE WILL GENERATE THE RRR. NO PARENT SHOULD GENERATE RRR OUTSIDE THE COLLEGE TO AVOID PAYMENT OF FEES INTO WRONG ACCOUNTS.**

**06. SCIENCE COMPETITION:** The College had an outing this term by JETS Club to compete in one "Genius Youth Initiative Science Quiz Competition for Otukpo Local Government Area". Our school came out top in the competition. We are happy for this development and crave for more. Please assist in admonishing your children/ward to sit down and read, it will be very beneficial in the end. We on our part will continue to do our best for optimum results.

**07. AWARD:** The College was also given an award of 1st position for schools that registered 50 and below in WASSCE 2019/2020 academic year. More power to our elbow.
